**Statement of Purpose: \***

What is the purpose of the program and what Growth of the Game barriers does it address? Is this program new or ongoing at your facility? What makes your program unique from others in your community?

The purpose of the Ladies Night Out golf clinic will be to provide free clinics on all the areas of the game throughout the summer months of the 2020 season. This will be an ongoing program, I have offered this for the past 4-5 seasons. To my knowledge no one in our immediate area is providing free clinics with an emphasis on Lady golfers.

**Program Impact: \***

Describe the anticipated impact of the program....who will benefit? Describe your diversity & inclusion goals, or your socioeconomic impact.

I would not only hope to impact the ladies that are participating in our clinic, but also those who hear about it from them, their children and their friends, co-workers, and friends. Overall, I hope the ladies who participate and also Scenic will benefit from offering an free chance to learn more about golf or improve their skills with these clinics. We hope to attract Ladies who have played in the past, those who have never played, and those who have some apprehension to playing the game of golf.

**Number of Participants Expected \***

14

**Implementation/Timeline: \***

Describe the program activities &amp; the proposed use of the grant award. Provide a timeline for the program's implementation

We will have 45 minute sessions each Thursday evening, starting in Mid June and lasting until Mid August. We will cover different areas of the golf game each week, and provide group and individual lesson time. The program will begin in Mid June, with advertising starting in the beginning of May. We will have a welcome party to get all of our participants together and go over the details of our clinic.

The use of the funds provided by the grant would be as follows-

Advertising-	\$250
Welcome Party-	\$250
Instructor fees-	\$250

**Program History: \***

How many years has this program been in existence? Did you initiate this program? Is this an annual program or a one-time project?

I have run this program for the past 6-7 season, with a break in this format 3 years ago to do a 3 hole ladies league. I seemed to have more success with this type of format. I did initiate the program like I mentioned 6-7 season ago. With the success we have had, this would be a repeated program from season to season.

**Future Plans: \***

Tell us about your program's future plans. How do you see the Michigan PGA supporting this program in the future?

I would like to try in incorporating some type of informal league with the ladies who have been involved in the program in the previous season's. I would need at least 12-16 ladies to form this type of league each season, and I could do some type of tip or lesson time with each week of play. The growth of the ladies game is vital to the success of golf in Michigan and throughout the USA. The Michigan PGA has played an important role in the growth and attraction to ladies to the game of golf.

**Evaluation Process: \***

Describe how the program will be evaluated. What criteria will be used to determine the program's success?

I would evaluate the success of the program by the participation of our ladies in the clinic and also the continued use of our golf facility for practice and playing. Increase's in overall numbers in the program from season to season would also be an important gauge of the success of our clinic's.
