Michigan PGA  
March 2021 Report

I would like to start with a shout out to Justin Phillips. Last year many of our events had to be cancelled, delayed, or even a change in location as was the case for our Senior PGA. His hard work made life a lot easier for all of us. Thank you Justin.

The 2020 spring meeting and blind draw event was cancelled. Due to current COVID precautions we will not be having the event in 2021.

Last year an 18-hole Pro/Pro event was added to the senior schedule at Washtenaw Golf Club. The date for this year is May 28. Our plan is to have the spring meeting outdoors following the contest. Start times for the tournament and meeting will be announced soon.

The Senior Pro / Senior Am returns to Indianwood CC May 13, 2021. A senior chapter playing permit is required for this event.

The Senior Pro / Pro returns to Washtenaw Golf Club on May 28, 2021. A senior chapter playing permit is required for this event.

The Senior / Junior will be contested this year at Oakhurst on June 21. This will be a 36 hole event. 18 Holes Best Ball and 18 Holes Scramble. Chapter playing permit required.

The Senior Open returns to Bedford Valley on July 13 and 14 2021.

The Senior PGA will be held at Point O'Woods CC on August 2 & 3 2021. This is a new location for the event.

We are currently working to add a fall pro-am event to the 2021 schedule. We will keep you posted when the details are finalized.
