MICHIGAN SECTION PGA

15600 CHANDLER RD, BATH, MI 48808

Dear Michigan Section,

It is with great respect that I ask for your vote to be the next secretary for our great section. As the current tournament chair, I feel we have great leadership and can get the ball rolling toward a strong future for our members. With a first focus on member retention and doing our part to ensure the future strength of the PGA brand. A second focus in continuing the lead of the current board by helping to build tournament participation and playing opportunities for all members and associates.

RESPECTFULLY,

DANIEL A. URBAN
