MPGA Senior Chapter Fall Report 2021

It was another great year for the senior chapter. A couple years ago we added a pro/pro event to our calendar and are hoping to add additional events and formats in the future.

We had a great run at Indianwood CC but it's time to give Dave Zink a break, so we will be looking for a new location for the senior pro / senior am. Through Dave's efforts, he turned the Senior Pro / Senior Am into a premier event. Not only were we playing one of the finer courses in the state, but he was able to attract sponsors to bolster the prize purse. Thank you Dave and all the staff at Indianwood.

Tournament Winners

Senior Pro / Pro at Washtenaw GC
McAuliffe / Seltzer

Senior Pro / Senior Am at Indianwood CC

I would like to welcome Jordan Young as the new secretary of the senior chapter executive board. His knowledge and experience will be a great addition to the team.

It's been an honor to serve on the senior chapter board the last 6 years. Thanks to all those current and past supporters of the chapter.

See you at the next event,

Jim Yuhas, President
