Please describe your achievements/accomplishments that would pertain to this award. *

Thank you for the Nomination for Merchandiser of the year (Private). As most clubs have seen over the last three years it has been another record year for golf as well as Merchandise Sales. Being the Buyer and Head Professional at The Moors Golf Club for the last 11 seasons this has built many strong relationships with the members as well as knowledge of Merchandise that our members like and dislike. This has all led to buying patterns at the club that helps us turn over products much quicker than in years past. We have seen an average of 12.5 Percent Growth in sales annually since 2017. We as a staff have also achieved a slight profit margin increase on all Merchandise Sales of 1% compared to last season's sales. Thank you for the opportunity for this award.
