IAN ZISKA, PGA - MERCHANDISER OF THE YEAR - PUBLIC

I take tremendous pride in retailing, and it's an area of my job I have a ton of fun doing. I enjoy being creative and thinking of new and different ways to implement ideas, style, and design. I will try anything, willing to buy without the fear of failing or missing a target.

The retail operation at American Dunes began in May 2020, following the launch of our online shop. Shop.americandunesgolfclub.com provided an avenue for supporters and shoppers from afar interested in supporting our brand while the golf course was under construction. Relying heavily on our web presence and social media outlets, we successfully promoted and showcased "The Most Patriotic Gear in Golf," where 2020 retail sales exceeded \$250,000.

Our inaugural season began in May 2021, with forecasted annual retail sales of \$600,000. On July 7, 2021, only sixty-six days into our inaugural season, we surpassed our budgeted yearly target. Following several re-forecasts, our annual sales in 2021 exceeded all projections with \$1.5 million in sales. As we took flight in season two, sales continued, as our retail operation is heavily supported by visiting guests from across the country, in person and online. To date, we are projecting retail sales to surpass 2021.

I am incredibly proud of our efforts and the results we have seen thus far, and I'm excited about our future. Retail success at American Dunes is vital and will directly contribute to the support of our mission. I will continue to use creative ideas, implement proper training, and focus on customer satisfaction to remain successful. In addition, we will continue to strive to sell quality inventory that creates buzz, turns fast, and has "in your face" Americana, sought out by our national supporters, guests, and visiting military service members.

While I am the lead in retail at American Dunes, I would be remiss if I didn't thank my team for their effort and support. I also must acknowledge the sales representatives I work closely with, as these individuals have greatly assisted our success as we faced so many industry challenges.

I am thankful to have been previously recognized by my peers for this special award. I'm honored to have an opportunity to share my new experiences and help fellow PGA Professionals with best practices in golf retail.

Thank you again.
