

Hello Michigan PGA Professionals,

My name is Jeff Rachar and I hope you are having a great season! I know everyone is busy in their various roles in the golf industry, but I would like to take just a little of your time to let you know that I am running for Secretary of the Michigan PGA

I have been a proud Member of the Michigan Section for 20 Years. I have served on the Eastern Chapter Board for 8 years, and for the past 2 years I have been the Michigan Section Tournament Committee Chair.

With my time spent in the Board Room observing the Executive Officers I have learned a great deal about Governance and how to work as a team to get the best outcomes for our Organization and its Members.

As an Officer, I will continue to work hard at the Board Level for the best interest of our Membership and Section. I look forward to the opportunity to continue what our current Board has done to advance our Section.

If you have any questions or would like to discuss any concerns you may have, please contact me at jeffrachar@pga.com or (248) 520-9373.

I look forward to seeing all of you at the Fall Meeting on October 23rd, and I hope I can count on your vote to become your next Secretary of the Michigan PGA.

Sincerely,

Jeff Rachar, PGA
