

2024 Season - Tournament Committee

Section Schedule Highlights:

- Great sites this year – kick things off with the Club Car Spring Scramble at Grosse Ile Golf & CC
- Followed up by the Foresight Sports / Levelwear Pro Pro at Eagle Eye / Hawk Hollow – big change this year is the event is on Tuesday, May 7. The best option we had for this year – I know it is not ideal for some.
- Adidas State Pro Am will be on the Ross / Heather – have not played the Ross in a couple years – some exciting renovations to see on a few holes.
- Pro Assistant at the new Raymond Hearn designed Cardinal at St Johns Resort
- Section Match Play moves to Eagle Eye
- The Women's PGA Professional Championship will take place this year in conjunction with the Women's Open at Crystal Mountain on June 24-25.
- Kyle Martin from The Lochmoor Club will be representing the Michigan Section at the PGA Tour's Rocket Mortgage Classic this year.

Sponsors:

- Pretty good shape – just looking to add a few more presenting sponsors to a couple events.
- Platinum - \$30k + – PGA Tour, Hall Financial, Boyne, Crystal Mountain
- Gold - \$7,500k + – Adidas, Club Car / Midwest Turf, Yamaha Golf Cars, Foresight Sports
- Going with a new Hole Location company – Strackaline (better hole location sheets for events), yardage books provided for 3 events -
- Pari Mutuel betting company that we will be using their platform at the Spring Scramble and Fall Pro Scratch – Homestretch Golf

Michigan Open Championship:

- Great event at Oakland U last year and excited about this year
 - o Hall Financial in as title for \$30,000
 - o Will be working with David Hall and the other Supporting and Presenting Sponsors
 - o Highest purse ever last year at \$122,500 – look to increase that this year.

Michigan PGA Championship:

- This Championship moves to the Golf Club at Harbor Shores - home to the 2024 Senior PGA Championship. The staff at Harbor Shores are very excited to host.
- This entry fee will increase this year to \$295.00 – to help with increasing facility costs and to help absorb a policy change that will take place in 2025 when PGA of America will be keeping \$40 more per entry.
