

In a joint effort between former Michigan PGA President and former NHL player, Dean Kolstad, and George Bowman, Michigan PGA Member and Secretary of the Detroit Red Wings Alumni Association, a charity hockey game was organized to raise funding for charity groups that serve Veterans of the armed forces. "The Red Wings are the stars on ice, and they do it for fun while helping groups raise money for charitable causes," Bowman said. "The PGA players are also raising money in this effort and getting to fulfill a dream of playing hockey against some of the world's finest professionals." In its first two years, the event raised over \$230,000.

For the third consecutive year, the golfers of the Michigan Section PGA and the Detroit Red Wings Alumni Association are playing to raise funding for three Veteran organizations: PGA HOPE Michigan, Folds of Honor, and Spike's K9 Fund.
