Spring Coaches Summitt

A few sponsors and speakers have been secured. Officers to review scheduling as the 2026 PGA Tour schedule has been released and the schedule conflicts with the normal Spring Meeting dates.

GMCMA Synergy	Discussion on possible co sanctioned/ co participation between the Michigan PGA and Greater Michigan Club Management Association. Receptive to the idea and Ward to coordinate calendars with the executive directors of each association and come up with a pricing strategy that encourages participation yet protects/grows each associations membership.
Next meeting	Date and time to be determined. Most likely late 2025 to review the monthly online education offering launch, coaches roundtable, and fall meeting education.
