Name of Candidate *

Kevin Schroeder

Year Elected to Membership *

2007

Past service or involvement (i.e., Committees served on, Chapter or Section involvement) *

Currently on the Education Committee

Briefly describe why you are seeking to be elected to serve on the Board of Directors *

I am interested in serving on the Michigan Section PGA Board of Directors because I believe strongly in what the PGA provides its members and the impact our organization has on the profession. I have been fortunate to have so many PGA professionals invest in me throughout my career, and I see serving on the Board as an opportunity to give back and help provide those same opportunities for others.

I spent my childhood growing up at Tyrone Hills Golf Club and had nearly 18 years to learn and grow under the influence of Denis Husse. Although I officially began working there at 14, I had been there from sunup to sundown since I was six. For the past 17 years, I have also had the privilege of working for and alongside Jim Deiters, who has been another tremendous influence on my professional and personal development. Seeing firsthand the impact PGA professionals can have on the countless people around them, whether golfers, coworkers, friends, or fellow professionals, has led me to hold our organization and the people within it in the highest regard.

Over my 19 years as a PGA member, I have gained experience across nearly every aspect of the golf industry. I ran a chapter of the Southwest Section PGA's junior golf program and have worked at a wide range of facilities, from affordable and high-end public courses to resorts and private clubs. My experience includes tournament operations, instruction, merchandising, food and beverage, and club management, and I currently serve as the Assistant General Manager at Midland Country Club. In addition to serving on the Michigan Section PGA Education Committee, I am active in the CMAA and serve on several local nonprofit boards. These experiences have given me a broad perspective on our industry and the challenges and opportunities facing our members. I believe I would bring a thoughtful and analytical approach to the Board, along with a willingness to listen, communicate effectively, and work collaboratively to find common ground.

I have benefited tremendously from the PGA and from the many PGA professionals who have helped me grow throughout my career. I would welcome the opportunity to give back to an organization that has given me so much, contribute my experience and perspective, and help continue the mission of the Michigan Section PGA. Most importantly, I want to help ensure that the next generation of PGA professionals has the same opportunities to learn, grow, and build meaningful relationships that have been so important to me.
